

— VELATROPA24VENTURES CO —

## About Us

Velatropa24Ventures CO (v24v) is an arts organization with a mission to beautify money through TropaCoins, a commons-backed, decaying currency hosted on the Internet Computer's Blockchain, Web3 network.

**Our services include** IT management, data aggregation, investment plans, workshop hosting, co-branded courses and more. Through TropaCoins, we deliver gamification tools for funding, marketing and managing projects by member-owned businesses within our RAO (*Radialized Autonomous Organization*).

## Our Services

- 1 Investment Plans
- 2 Project Management
- 3 Business Consulting
- 4 Co-Branded Course Hosting
- 5 Data Aggregation & Business Intelligence
- 6 Gamification Tools & Team Training
- 7 Citizen Science Research
- 8 Youth Art Education

## Threading Vigesimal Art into Decimal Business

## Why Choose Us?

### Youth-Led Initiatives

We thrive when young leaders guide community change through art and science.

### Industry Insights

We transform raw data into Business Intelligence through visualized storytelling.

### Personal Development

We provide next-level, universal education for mental and spiritual growth.

### Rapid Value Creation

We manage Web3 TropaCoins, doing business differently through commons-backed, decaying currency.
